## **Selected for “Human Capital Management Quality 2023 (Silver)” in the “Human Capital Survey 2023”**

**Taiheiyo Cement Corporation (Head Office: Bunkyo-ku, Tokyo; President and Representative Director: Masafumi Fushihara) was selected as one of the “Human Capital Management Quality 2023 (Silver)” in the “Human Capital Survey 2023” for its outstanding efforts in human capital management and disclosure.**

The “Human Capital Survey 2023” is a survey sponsored by the HR Technology Consortium, HR Research Institute (ProFuture Inc.), and MS&AD InterRisk Research & Consulting, Inc. Based on the results of the survey, companies with a high level of commitment in human capital management and information disclosure are selected as “Human Capital Management Quality 2023 Gold/Silver”.

## **人的資本経営品質 2023**

Taiheiyo Cement Group will continue to actively promote initiatives to enhance corporate value through human capital management and information disclosure.
