

## **Taiheiyo Cement Announces Establishment of Retirement Benefit Trust**

**Tokyo, March 29, 2011**—Taiheiyo Cement Corporation announced that it has contributed some of its securities toward the establishment of a retirement benefit trust to make up for the shortfall of retirement benefit funds in addition to previous Establishment of Retirement Benefit Trust on March 14,2011.

### **Details of retirement benefit trust**

Established: March 29, 2011

Value: ¥1,617 million

Earnings impact: Taiheiyo Cement Corporation will record a total of ¥2,669 million profit(¥1,891 million profit announced on March 14,2011 plus ¥777 million profit on March 29, 2011) from the establishment of a retirement benefit trust as extraordinary profit in the fiscal year ended March 2011. This has been factored into the consolidated and non-consolidated earnings forecasts for the fiscal year announced on November 9,2010.
