**Taiheiyo Cement has been selected as the “Supplier Engagement Leader”,
the highest rating in the “Supplier Engagement Rating” by CDP
for the second consecutive year**

Taiheiyo Cement Corporation (Headquarters: Bunkyo-ku, Tokyo; President and Representative Director: Yoshifumi Taura) has been selected as the “Supplier Engagement Leader”, the highest rating in the “Supplier Engagement Rating” by CDP, an international environmental NGO, for the second consecutive year.

The “Supplier Engagement Rating” evaluates how effectively a company is engaging its suppliers on climate change issues. The company is assessed thorough its responses to selected questions related to the categories of “Governance”, “Targets”, “Scope 3 Emissions Accounting”, and “Supplier Engagement”, in the CDP climate change questionnaire.

Our group is highly evaluated for recognition of our efforts to reduce CO₂ emissions, including energy reduction, as well as our transparent information disclosure regarding Scope 3 emissions.

Taiheiyo Cement Group continues to contribute to social infrastructure development by providing solutions that are environmentally efficient, enhance our competitive position and bring value to our stakeholders.

About CDP

An international environmental NGO established in the United Kingdom in 2000. CDP operates a global disclosure system for investors, companies, nations, regions, and cities to manage their own environmental impacts. Fully TCFD aligned, CDP holds the largest environmental data base in the world, and CDP scores are widely used to drive investment and procurement decisions towards a zero carbon, sustainable and resilient economy.
