Announcement of the Publication of "Taiheiyo Cement Report 2025" (Integrated Report)

Taiheiyo Cement Corporation (Headquarters: Bunkyo-ku, Tokyo; President and Representative Director: Yoshifumi Taura) publishes an integrated report annually to inform stakeholders about the Group's efforts to solve social issues and enhance sustainable corporate value. This initiative aims to deepen mutual understanding through constructive dialogue and to further evolve management and enhance disclosure.

We are pleased to announce that the Japanese version of the integrated report "Taiheiyo Cement Report 2025" has been published on our corporate website.

Key Points of the 2025 Report:

- Positioned the message from the president as the foundation for all content, which was created with the concept of "an integrated report that contributes to enhancing corporate value."
- The report was edited to pursue greater readability, including a reduction in the number of pages.
