**Taiheiyo Cement Corporation (Headquarters: Bunkyo-ku, Tokyo; President and Representative Director: Yoshifumi Taura) has been selected as the “Supplier Engagement Leader”, the highest rating in the “Supplier Engagement Rating” by CDP, an international environmental NGO, for the third consecutive year.**

The “Supplier Engagement Rating” evaluates how effectively a company is engaging its suppliers on climate change issues. The company is assessed through its responses to the categories of “Governance and Business Strategy”, “Supplier Engagement” “Targets”, “Scope 3 Emissions Accounting”, and “Risk Management Process”, in the CDP climate change questionnaire.

Our Group is actively working toward achieving carbon neutrality across the entire supply chain. In collaboration with raw material suppliers, we are promoting measures to reduce CO<sub>2</sub> emissions, such as improving energy efficiency and reducing fuel and electricity consumption. Furthermore, we are proactively engaging in transparent disclosure of information regarding Scope 3 emissions.

Taiheiyo Cement Group will continue to contribute to social infrastructure development by providing solutions that are environmentally efficient, enhance our competitive position and bring value to our stakeholders.

### About CDP

An international environmental NGO established in the United Kingdom in 2000. CDP operates a global disclosure system for investors, companies, nations, regions, and cities to manage their own environmental impacts. Fully TCFD aligned, CDP holds the largest environmental data base in the world, and CDP scores are widely used to drive investment and procurement decisions towards a zero carbon, sustainable and resilient economy.
